Accreditations and certifications

AiS Approved

AiS is a well known and respected body of individual risk control and reduction experts working in the insurance market throughout the UK. Our safes have been tested and approved.

ECB•S Certified

This mark shows that our security products have been certified by the European Certification Body and meet the requirements of the relevant European Standard (e.g. EN 1143-1, EN 1047-1). They have been manufactured under a quality management system (normally certified according to ISO 9001).
