## Accreditations and certifications

### AiS Approved

AiS is a well known and respected body of individual risk control and reduction experts working in the insurance market throughout the UK. Our safes have been tested and approved.

### ECB•S Certified

This mark shows that our security products have been certified by the European Certification Body and meet the requirements of the relevant European Standard (e.g. EN 1143-1, EN 1047-1). They have been manufactured under a quality management system (normally certified according to ISO 9001).
