BLACK EDITION

LUXURY DIPLOMAT SAFE

CERTIFIED SAFES WITH LUXURY INTERIOR

The BURG-WÄCHTER Luxury Safe range offers a perfect balance of elegance and functionality:

- A modular interior allows full customisation
- Oak effect interior
- High quality watch winders can be added
- Classic textured black satin exterior finish
- Certified to £10,000 in cash and £100,000 in valuables

MODULAR INTERIOR

MODULAR LUXURY FOR DIPLOMAT SAFES

Practical and attractive, the interior cabinet ensures everything remains organised and tidy. The modular design allows for maximum flexibility when configuring the interior space:

- Compatible with all Diplomat MTD safe models
- Open shelves are ideal for those items you need quick access to and a side compartment provides a space for documents, booklets or even tablets and laptops
- Shelves are fully height adjustable
- Drawers come in a choice of shallow for everyday items, or deep drawers for those bulky items
- Choice of adding 2 or 4 watch winders*
- Carcass can be completely removed for easy safe installation / anchoring
- Durable construction with oak effect veneer

**DESIGNED TO FIT ALL
FREESTANDING DIPLOMAT
SAFE MODELS.**

Note that winders require 12V power (supplied) which is routed through the back fixing hole of the safe. With watch winders present, the safe must be base fixed and is not tested to EN15659 in this configuration.
